

**Peggy M. Seville**  
**Introduction for Basic Quickbooks Workshop**

---

Peggy Seville is a software instructor and bookkeeper with over 20 years of experience producing results and solving problems in large and small organizations.

Over the years, Peggy has taught many people to use Quickbooks to manage their small business accounting. She has been teaching Quickbooks since 1994 and has been a Certified Quickbooks Pro Advisor since 2007. She is a student of the Certified General Accountant's program of Ontario in the Advanced level.

Peggy is a member of the Belleville Chamber of Commerce and the Belleville Speak-Easy Toastmasters Club. Her interests include cycling and playing Irish traditional music.
